

Quantum SE 1700x750

clenda

System 2

Back / Foot Jet

Used in clusters to target specific areas like the lumber region and feet.

Pneumatic

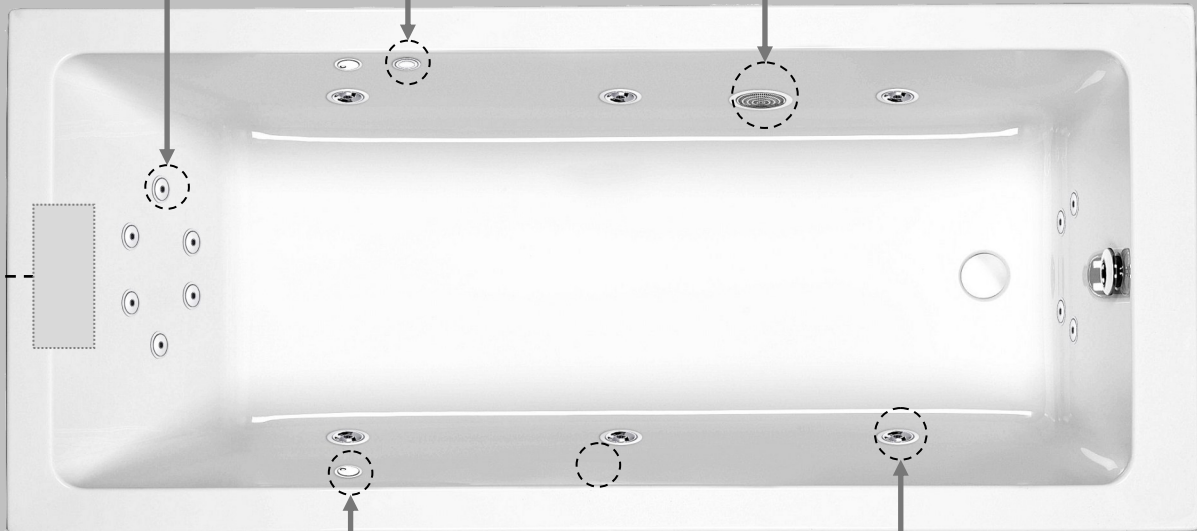

Turns the pump air blower on and off.

Suction Plate

Designed with total safety in mind, this suction has a unique built in safety feature which disengages the water pressure within seconds of being activated.

Pump located under the slope at this end of the bath.

Control

Control the flow of air to the jets with a simple turn of the centre dial.

Side Jets

This high performance body jet gives the ultimate vigorous massage.
